THE SAN LUIS RESORT, SPA & CONFERENCE CENTER RECEIVES CONVENTION SOUTH READERS' CHOICE AWARD

GALVESTON, TEXAS — The San Luis Resort, Spa & Conference center was voted a “world-class” meeting site by *ConventionSouth* readers.

The publication asked readers to select what they consider as the South’s top meeting providers for its annual Readers’ Choice Awards earlier in 2009. Winners were selected based on the number of votes received as well as detailed comments provided by those who nominated them. The winners were announced in the December edition with The San Luis Resort topping the list for Texas.

“We are truly honored to be nominated by the people who experience our industry-leading standards,” said Paul Schultz, Vice President of Hospitality for Landry’s Hotel Division. The San Luis Resort was named with eight other Texas contenders and is the only representative from the Houston-Galveston area to be honored.

“This is a testament to our dedicated staff, exceptionally high standards and our ability and desire to provide a world-class meeting site for groups of any size or need,” said David Townsend, director of convention and conference planning for The San Luis Resort.
