### **THE SAN LUIS RESORT GIVES DAD'S A WEEKEND TO RELAX**

(Galveston, TX) – Celebrate Father's Day at The San Luis Resort, Friday, June 13 through Sunday, June 15, when the resort hosts different activities and opens the doors of The Steakhouse for the whole family to come and enjoy. Normally closed on Sundays, The Steakhouse will be open to the public and will feature an innovative Gulf Coast inspired menu, top-notch service and a chic yet laid back atmosphere perfect for dads of all ages.

Multiple happenings will commence at The San Luis Resort during this Father's Day Weekend. On Friday, Dads will be able to take part in an island-inspired pig roast where delicious, complimentary pork sandwiches will be served as well as complimentary rum tastings at each cabana while a reggae band entertains. For Saturday, the whole family can enjoy an all-you-can-eat afternoon crawfish boil for \$40 including all-you-can-drink draft beer. Discounted admission to Pleasure Pier is available for hotel guests and ensures a quality family adventure. To wrap up the weekend, Big Bites Brunch will take place on Sunday at the newest concept Blake's Bistro, giving Dads a manly feast ranging from pork chops to prime rib, along with a fully stocked Bloody Mary bar and micheladas.

Spend more time at the resort to spoil your favorite guy by beginning or ending your visit with a Gentleman's Escape at Spa San Luis. Dad will enjoy a 60-minute sports pedicure and a 60-minute hot stone massage followed with a cold Shiner beer for just \$155.
