Add a culinary romance amid the soothing sounds of pianist-vocalist Angelo Tolentino Thursday, February 14<sup>th</sup> at the award-winning Steakhouse, voted #1 steakhouse in Texas by Tom Horan for 2013.

"The Steakhouse is the perfect location for romance," said Jon Paul, general manager. "And we've created a celebratory evening with festive cocktails, an award-winning wine list, an over-the-top menu with decadent dessert and ambiance to match."

With its beautiful hand-crafted mahogany woodwork, leather furnishings, the restaurant provides an intimate setting, for quiet conversations and savory fare without the din of large crowds. Executive Chef Felipe Gonzalez has prepared a lavish Valentine's-inspired menu including a choice of four appetizers including lobster ravioli, roasted artichoke heart, sautéed diver scallop or grilled Mediterranean vegetable terrine; an array of soups and salads; entrees featuring roasted striped bass filet, "surf & turf," roasted lightly smoked chicken breast or flite mignon and seared foie gras.

"You certainly can't go wrong with any of these choices," said Jon Paul. He recommends you follow your memorable evening with a San Luis signature cordial while you soak up the romance." Reservations may be made from 6 pm – 11 pm. To reserve your table or more information, please call (409) 744-1500 ext. 33 or (800) 392-5937.
